

ADVANCED DIPLOMA OF LEADERSHIP AND MANAGEMENT

COURSE CODE: BSB60420
CRICOS COURSE CODE: 106460B

One year
On campus in Adelaide, Australia

Course Overview

The qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in leadership and management, across a range of enterprise and industry contexts.

Individuals at this role use initiative and judgement to plan and implement a range of leadership and management functions, with accountability for personal and team outcomes within broad parameters.

They use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.
